**FISHER  
FOLLIES**

# THANK YOU FOR ATTENDING THE 2012 FISHER FOLLIES AUCTION!

Fisher Follies is a non-profit organization with a three-fold purpose: (1) to foster a sense of community at the Fisher College of Business, (2) to encourage creative thinking, and (3) to generally lampoon business students, their professors and the support staff they interact with daily.

All of the proceeds raised at the auction tonight are given to the Fisher Community Fund. The Fisher Community Fund was set up to allow the Graduate Programs Office to award gifts to members of the Fisher community (students, faculty, staff & alumni) who are facing unexpected times of hardship.

We are thrilled to have received **130** donations this year!

Please grab a **DRINK**, enjoy a **SNACK** and **GET BIDDING!**

The **FISHER FOLLIES LEADERSHIP TEAM** would like to sincerely thank tonight's bidders and donors. Furthermore, we'd like to thank our charming auctioneer *Jonny Aplin*, and all of our amazing volunteers: *Meredith Brown Clutsam*, *Max Cava*, *Alycia Dinverno*, *Alisa Doty*, *Bill Feest*, *Lindsay Fisher*, *Juliann Garrett*, *Holli Jacobs*, *Sarah Williams* and *Joe Xu*. Maybe your taste is more along the lines of military calibers like the 5.56, or maybe you want to try the Big Dog .45-70 Government. If so, this donation is for you!

# LIVE AUCTION (Cont'd)

**Put your taste buds to the test.** This night for four will include a basic overview of the science behind beer testing and a blind taste test of six different beers. I will consult with the highest bidders regarding their preferences and provide the beer types. Light salty snacks and water will be provided to help cleanse the palate in between tasting different beers. Any leftover beer will be given to the participants either to be enjoyed then or later (but in a responsible manner). A little bit about my background: prior to returning to school, I worked for five years in the Columbus Anheuser-Busch Brewery. While there, I was in charge of monitoring the brewing process, planning the brewing schedule, and taste approving each tank of beer prior to being packaged. As part of my development, I was professionally trained on the proper way to taste beer.  
~ Donated by *Jon Koval*

**C-Suite Personal Mentorship in Chicago facilitated by Professor Shashi Matta.** Each winning student will get a 90-minute personal mentorship session with each of the three executives (a CEO, a CMO and a CFO from different blue-chip companies), and a group breakfast and lunch. **Craving a good barbeque, but the chilly, damp Ohio season prevents that from happening? Not a problem!** Drs. Inks and Rucci have it all figured out... imagine a Saturday or Sunday afternoon/evening between now and the end of spring semester for an indoor/outdoor barbeque. If you enjoy cooking out, good company and cool cars, this is the deal for you: if the weather is great, we can stay outside and play corn hole or touch football, throw frisbees, or even take a classic car for a ride around the complex. If the weather doesn't cooperate, we'll simply move indoors to the fully heated car storage facility (aka "The Sanctuary") which houses a bunch of beautifully restored classic cars. Inside we can still play corn hole, check out the classic cars, talk cubic inches and horsepower, and enjoy the dulcet tones of the Four Tops, the Four Seasons, the Platters, Eric Clapton and Van Morrison over the stereo system. In either case, we'll enjoy grilled steaks, chicken, brats and burgers, and chit-chat till it's time to head home. This barbeque will be for 12-18 people. "The Sanctuary" is located in Dublin in a small commercial development park and will comfortably hold all of us 'picnickers'. In fact, just to sweeten the deal, anyone who wants to will be allowed to try their hand at waxing and detailing a car of their choice!  
~ Donated by *Larry Inks and Tony Rucci*

**Enjoy an exclusive game day experience from Fisher!** I'm thrilled to offer the opportunity to cheer on the Buckeyes from inside the college's suite at the Shoe. Up for auction: two tickets to a conference home game of your choice and two tickets to a non-conference home game of your choice. Fisher's suite is located on the Hunting-ton Club level on the northwest side of the stadium overlooking the 10 yard line and includes indoor/outdoor seating, televisions, and refreshments. Each winning bidder will also receive two tickets to join us at the Blackwell prior to kickoff for Pre-Game at Fisher, featuring a brunch buffet, cash bar, and the opportunity to meet alumni, supporters, and top business leaders who have made it a tradition to "tailgate" at Fisher before each home game. PLEASE NOTE: bidding is open to all current students, including those preparing to graduate (as long as you can make it back to Fisher next season, your spots will be reserved at Pre-Game and in the stadium suite). This is an extraordinary opportunity to mix, mingle, and network with Fisher's friends and supporters — and I hope you will join us! The winners must make their game selections by February 1st, 2013.

## 2013 FISHER FOLLIES VARIETY SHOW

Ohio Union's U.S. Bank Conference Theater  
**FRIDAY, APRIL 19<sup>TH</sup>**  
7 to 10 PM

The Fisher Follies Variety Show is rivaled only by Formal as the capstone social event of the year. Take it from us: classes will come and go and the concepts you learn will fade (especially those from accounting—woof!), but this is not the case with Follies. Our spectacular spring production features a dizzying array of humorous videos, skits and musical numbers and is created to poke good fun at ourselves after a year of taking ourselves way too seriously. And on top of that, many of your favorite professors will agree to act in your videos. *Oh, and Dean Wruck will likely sing and dance during the finale!*
