# THANK YOU FOR ATTENDING THE 2013 FISHER FOLLIES AUCTION!

This important event benefitting the Fisher Community Fund would not be possible without the outstanding support of tonight's donors and bidders. Our heartfelt thanks for making tonight a wonderful success!

The Fisher Follies student organization celebrates and leverages the camaraderie of Fisher students, faculty and staff in order to support the Fisher Community Fund. This special fund makes gifts to Fisher students who are facing unexpected and extreme hardship. Recipients may be suggested by peers or self-nominated.

We are thrilled to offer over **100** items this year!

Please grab a **DRINK**, place a **BID** and **ENJOY** your evening!

- The Follies Steering Committee

# LIVE AUCTION

**Listed alphabetically. For items designed to appeal to groups of bidders, the maximum number of participants is listed in parentheses at the end of the description.**

**Sushi and Beer With Fisher Alums:** Spend an evening of sampling and storytelling at North High Brewing and Fusion. At each location, winners will meet with owners to discuss the evolution of their business, learn about restaurant operations and, of course, sample the product. Opening bid of \$75. (4)

~ Donated by Ken Boyer and Aravind Chandrasekaran

**Craft Your Own Beer:** Join Professor Campbell in creating a custom brew at North High Brewing, which was founded by two recent Fisher MBAs. Professor Campbell will join the winners at this microbrew-focused bar combined with brew-it-yourself facilities. The evening will end with our very own handcrafted 15 gallon batch of the beer we design. Opening bid of \$75. (4)

~ Donated by Ben Campbell

**Dinner and Game Night With Professors Campbell and Wruck:** Those uncomfortable challenging (read: losing to) a couple of economists in sophisticated board games designed to test strategic thinking skills and mental prowess need not apply. Opening bid of \$50. (4)

~ Donated by Ben Campbell and Karen Wruck

**30-Minute Private Flight:** Win the opportunity to depart from The Ohio State University Airport in a DA-40 Aircraft and, who knows, maybe take the wheel. This is a perfect opportunity for someone interested in flight, someone considering getting their private pilot license, or just someone looking for adventure! Opening bid of \$50.

~ Donated by Jonathan Denison

**Test Your Wine Taste Buds:** Match your sommelier wits with your friends while making wine tasting a competitive sport. Taste 8 blinded bottles of wine and match them to short descriptions, competing for a bottle of Prisoner and consolation prizes awarded by independent and unbribable judges Ralph Greco and Gretchen Goffe. Who will spot it and take the bragging rights and a phenomenally kitschy first prize trophy? This mid-week wine throw down will take place at The Wine Bistro, in Upper Arlington and includes appetizers. Opening bid of \$150. (12-20)

~ Donated by Gretchen Goffe and Ralph Greco

**Prime Seating for Your Family:** We will reserve the two front rows (10 seats) in Section A and an additional two front rows (10 seats) in Section E of the Mershon Auditorium for you during pre-commencement exercises. Opening bid of \$50.

~ Donated by GPO Student Services

**Calculate the Columbus Clippers wOBA while investigating if the SLG is out of control:**

We talking James Hill and John Gray hosting you at a Clippers game. The evening also includes dinner near the ballpark and a couple beverages in commemorative cups during the game. Opening bid of \$50. (4)

~ Donated by John Gray and James Hill

**Range Time Series:**

**Rifles:** 1-2 hours of range time shooting a variety of rifles. So maybe you've shot handguns before, and you've tried the occasional shotgun. But if you haven't shot rifles, you need to do so now! Feel free to try the .22—basically no recoil and a great way to get comfortable with a rifle. You might want to shoot the classic .30-30 lever action—a classic round and a hoot to shoot! Maybe your taste is more along the lines of military calibers like the 5.56, or maybe you want to try the Big Dog .45-70 Government. Sound like a blast? You bet. Opening bid of \$100. (4)

**Handguns:** 1-2 hours of range time shooting a variety of handguns and calibers. Try your hand at the .22, and/or step up to a 9mm, .45, .357 or even the .44 magnum...try them all! No experience with handguns necessary; we'll talk safety and get you up to speed. Guaranteed to keep your mind focused on the matters at hand! Opening bid of \$25. (2)

**Shotguns:** Three rounds of trap shooting at Black Wing Shooting Center for a party of four people. Hosted by Dr. Inks (who will be the 5th shooter) each round will consist of 25 "clays" that explode into a very satisfying cloud of orange dust if (sorry, when!) you hit them! No experience with shotguns necessary; we'll cover safety issues and then enjoy a nice couple of hours of outdoor shooting! Opening bid of \$100. (4)

~ Donated by Larry Inks

**Exclusive Evening Tour of Watershed Distillery:** Tour the distillery with Shashi Matta and Watershed co-founder (and Fisher alum) Greg Lehman. Evening includes heavy hors d'oeuvres and tapas, a signature Watershed t-shirt for each student, and a Watershed product gift basket replete with bottles of gin, vodka and bourbon. Opening bid of \$50. (4)

~ Donated by Shashi Matta

**OPEN TO FTMBA STUDENTS ONLY - All Expenses-paid Trip to New York City:** Winners will join Shashi Matta on a weekend trip to the City where they will be hosted by a c-level executive in finance and a c-level executive in marketing. Package includes airfare, hotel accommodations and meals as well as candid conversations with these two industry leaders. Opening bid of \$200. (4)

~ Donated by Shashi Matta

**Cheer For the Buckeyes as They Beat That Team Up North:** Join Deborah Mitchell in seats on the 50-yard line of Section 1 in the Big House. These tickets are behind the Buckeyes' bench and above the famed tunnel entrance of the stadium. Also included is a pregame tailgate champagne brunch in the Blue Lot adjacent to Michigan Stadium. Opening bid of \$50. (2)

~ Donated by Deborah Mitchell

**Give Your Feet a Break, Get a Horse:** What if, for one day, you could put your feet to rest and be Cinderella or Prince Charming and ride a majestic white horse to go anywhere you need to? All right, with my 5'8" I don't know if I would really qualify for Majestic but at least I am for sure a pretty darn white horse... This package is for a day of unlimited horse ride to go to class, the restroom, lunch or even your car. But you could also ask your super evolved horse to go get stuff for you at the vending machine, Rohr or the GPO. Opening bid of \$20.

~ Donated by Martin Perrier

**Award-winning Food, Hold the Excel Models:** Winners will join Professor Oglevee for a fine dining experience and fun conversation at The Refectory. This Modern French restaurant is consistently voted one of the best restaurants in Columbus and this modern American professor is consistently voted one of the best in the Finance department. No memos, no Excel models, no assignments, just award-winning food and fun conversation. Opening bid of \$50. (3)

~ Donated by Daniel Oglevee

**Best Seats in the Shoe:** Cheer on the Buckeyes from inside the college's suite at the Shoe with this exclusive football game day experience! Up for Auction are two tickets to a conference home game of your choice (limited to Rutgers, Illinois or Indiana) and two tickets to a non-conference home game of your choice (limited to Kent State, Virginia Tech or Cincinnati). Fisher's suite is located on the Huntington Club level on the northwest side of the stadium over looking the 10 yard line and includes indoor/outdoor seating, televisions, and refreshments. Each winning bidder will also receive two tickets to join us at the Blackwell prior to kickoff for Pre-Game at Fisher, featuring a brunch buffet, cash bar, and the opportunity to meet alumni, supporters, and top business leaders who have made it a tradition to "tailgate" at Fisher before each home game. PLEASE NOTE: bidding is open to all current students, including those preparing to graduate (as long as you can make it back to Fisher next season, your spots will be reserved at Pre-Game and in the stadium suite). This is an extraordinary opportunity to mix, mingle, and network with Fisher's friends and supporters! The winners must make their game selections by February 1st, 2014. Opening bid of \$200 apiece.

~ Donated by Christine Poon

**Drop Water Balloons on Michigan:** Have a little fun with one of your few Michigan friends. From a 3rd floor Fisher Commons balcony, drop 10 balloons filled with water or shaving cream on Rob Reznick while he wears Michigan gear. If you wait until the spring when it's warmer, you can also drop a pie/cake as well. Opening bid of \$20.

~ Donated by Rob Reznick

**Live the C-suite Life:** Enjoy a round at New Albany Country Club and conversation with former c-level executive Jeff Rodek.. Our day on the links will include lunch and/or dinner & drinks. \*Golfers should be available beyond the end of the 2014 school year if spring weather does not cooperate.\* Opening bid of \$100. (3)

~ Donated by Jeff Rodek

**Classic Cruisin' Road Rally:** That's right, a warm spring afternoon of cruising in a classic car of your choice. Winners can choose to do a "Cruisin" Road Rally in one of five different cars to be auctioned : a 1956 Thunderbird (automatic); a 1957 Porsche 356A (stick shift); a 1959 Corvette convertible (automatic); a 1963 Corvette Split Window Coupe (stick shift) or a 1967 Chevelle SS396 (stick shift). Once providing proof of license and substantial insurance coverage (no, just kidding) you could be behind the wheel of this baby. We'll pick a date that all five car road rally auction winners are free to do the rally. First, we'll start with a 'test drive' around the industrial park in Dublin (a 1.5 mile figure-eight track). When you and your Cruise buddies are comfortable and confident, we'll head out onto the wide open (and somewhat deserted) rural highways of Delaware County. Maybe a stop for a fine outdoor dining experience at Benny's Pizza (voted best pizza in Ohio) in Marysville? Only condition on the date we pick is what you'd expect: the day chosen must be balmy, clear skies, no rain. After all, these are classics and haven't been hit by a drop of rain or flake of snow in many, many years! Opening bid of \$50 apiece.

~ Donated by Tony Rucci

**BBQ with Rucci and Inks at The Sanctuary:** Craving a good barbeque? Not a problem! Drs. Inks and Rucci have a plan all figured out... if you enjoy cooking out, good company and cool cars, this is the deal for you! What's noteworthy about "The Sanctuary"? It is the repository of a collection of beautifully restored classic cars. We'll grill some burgers and brats, maybe play some touch football or Frisbee, talk cubic inches and horsepower and listen to some great music by Frankie Valli, the Spinners, and the Four Tops. And, all the while we'll be strolling among some really classic cars! In fact, just to sweeten the deal, weather permitting that day we may even be able to let folks take a spin in a car of their choice! Exciting, you say? You bet! Opening bid of \$150. (18)

~ Donated by Larry Inks and Tony Rucci

**Date Night with Andy:** Dinner, drinks and dancing at Ladies '80s. Open to anyone looking for fun and adventure with this first year stud. Opening bid of \$20.

~ Donated by Andy Vitaliti

**Happy Birthday from Professor Wruck:** On your special day, Professor Wruck will deliver a dozen cupcakes to the class of your choice along with a serenade. Subject to sufficient advance notice and no scheduling conflicts. Opening bid of \$25.

~ Donated by Karen Wruck

**OPEN TO FACULTY MEMBERS ONLY - Substitute Teacher:** Ever thought Dean Wruck would teach marketing...what about OB...or even professional development? This prize allows the winning faculty member to have Dean Wruck teach any class on Columbus campus, max 3-hour session. Opening bid of \$50.

**2014 FISHER FOLLIES VARIETY SHOW**

Ohio Union's U.S. Bank Conference Theater

**FRIDAY, FEBRUARY 7<sup>TH</sup>**

**7 to 10 PM**

The Fisher Follies Variety Show is rivaled only by Formal as the capstone social event of the year. Take it from us: classes will come and go and the concepts you learn will fade (especially those from accounting!), but this is not the case with Follies. Our spectacular spring production features a dizzying array of humorous videos, skits and musical numbers and is created to poke good fun at ourselves after a year of taking ourselves way too seriously. And on top of that, many of your favorite professors will agree to act in your videos.

**DISCLAIMER:** The Follies Steering Committee will happily send ONE follow-up email message to all parties involved in each transaction. Following this confirmation, we encourage all donors and winning bidders to communicate with each other early and often until the donation is collected.
