

With Appreciation

The Follies Steering Committee would like to thank all those who have contributed to this year's events. In November, faculty, staff and students came together for a special evening highlighting the strength of our community. Together, we raised \$18,000 to support our fellow classmates should any of us experience a time of extreme and unexpected hardship while at Fisher. Tonight, we celebrate this success in the best way we know how - by poking fun at those very same faculty, staff and students who have contributed so much to the Fisher Follies. Please do not hesitate to reach out to any of us if you know of a student in need or if you have questions. Again, we are thankful to be part of this special community. And now we intend to mock the ever loving sh!t out of it.

Enjoy the show!
